Reserve Liaison

SUBJECT: Shift Level Commendation/O.R. #97-27095

On February 16, 1997, you and your partner, Sergeant Vincent Ploplis, were flagged down by firemen from the City of Fort Lauderdale Fire Unit Number 29. They advised you that a driver had just attempted to run them over. Based on the description given, you soon found the vehicle in the area of North Federal Highway and 13 Street, being operated in a dangerous manner.

Your traffic stop and contact with the driver caused you to believe that more than alcohol intoxication was involved. Your subsequent investigation and arrest resulted in the seizure of almost 2,000 grams of marijuana (with some packaged for distribution), two types of controlled prescription drugs, paraphernalia, and a scale.

Your actions in this case reflect once again on your dedication and professionalism and serves as a reminder to the Police Department what a valuable service the Reserve Unit provides.
